

# YOUR PAC UPDATES

Hi everyone,

Just a short but exciting update for you this time.

We have our PAC meetings coming up on Wednesday, 20 April.

**9:00am - 10:00am Coffee Morning in the Staff Room**

- Come for coffee and an informal chat with the Chair and other members of the executive team. Any topic goes!

**7:00pm - 9:00pm PAC Meeting in the Library**

- We are very pleased to host two talks at this event:

1. Join Bethan Ostermann, founder of the Green Bicycle Co, for some real life, practical advice to make your family a bit greener just in time for Earth Day. Let this fellow Willows parent show you how to up your green game and learn how to involve the kids: everything from how to make your shopping and eating routine greener to cleaning up the household chores and personal care. Learn some next level skills to start making a measurable and impactful difference. But don't worry, this isn't lifestyle-crushing advice from some hippy commune: this is modern sustainability for the modern family. See [www.thegreenbicycleco.com](http://www.thegreenbicycleco.com) for more info.
2. Willows teachers, Kelsey Anderson and Cathy Ireton, will be showcasing their use of iPads in the classroom and how and what children are learning with the adoption of technology in their learning day.

We look forward to seeing you at one or both of these PAC events.

Have a glorious weekend!

Bronwen Sharpe, PAC Chair
