- b. Have explained to staff how the fundraising is targeted towards specific items etc. and how that has been a successful approach.
- c. Have reviewed school goals with the staff:
 - i. To enhance student **writing skills** across all grade levels by focusing on vocabulary development, improving sentence structure, idea development, and clarity of expression through targeted instruction, collaborative writing and editing, and consistent practice across curricular areas.
 - ii. To deepen our understanding and commitment to the **Truth and Reconciliation** journey as adults and students of our school community.

- d. French kindergarten registration has been determined and communicated - have received letters of acceptance and informed about the waitlist. A few spots become available for grade 1 entry.
- e. English kindergarten registration begins next week - this is based on a first come first served, with some priority specifics (ex. Sibling at the school).

6. Co-chair report (Cloe)

- a. Thanks to all who participated in the winter events (winter movie night, winter performances during school with raffles). Raised money for the music program (will be used for bus transport in the spring as well as for other items that our music teacher and school admin see as needed).
- b. Grade 5 committee did well on hosting bake sales and held a music bingo fundraiser event at Fernwood Inn. Fundraising will go towards an end of year celebration for Grade 5 students and families. If you want to help out in any way on this the PAC can connect you with the committee.
- c. Decision to cancel the PAC music bingo at Fernwood Inn due to timing with the Grade 5 event. Will be looking into hosting it later in the spring or as a kickoff event in the new school year.
- d. Parent Education has been identified as important to Willows parents. Information on a couple opportunities being held next week has been shared. PAC Exec welcomes any parents interested in organizing more education sessions for our school community.
- e. PAC Exec are also potentially looking for another member to represent Willows at the VCPAC meetings.

7. Treasurer report (Jennifer)

- a. Jennifer reviewed PAC Budget vs Actuals
 - i. Events line item has increased due to fundraising
 - ii. Donations is a line item from the music performances
 - iii. Gaming Revenue (the Gaming Grant) is now with the school, and expenses are tracked to ensure they are for applicable uses
 - iv. Fun lunch line items - show as a high number because we pay vendors from that amount as each fun lunch occurs

8. New business

- a. VCPAC Update:
 - i. Jenn was unable to attend the December meeting and wasn't forwarded the follow-up email so is catching up on information.

- ii. Brief overview of the situation: The Board didn't approve the SPLOs in the budget any longer and they were removed from schools. The Board was instructed to provide plans - submitted several plan options and those plans were not accepted. The Ministry may reappoint a new Board.
- iii. The VCPAC has taken a neutral stance other than being against terminating the Board. Now the Ministry has set-up a Zoom meeting to get school PAC opinions, due to the VCPAC not commenting. Willows PAC doesn't feel we can provide an opinion but Jenn and Cloe will attend the Zoom call for info and will provide updates.
- iv. Discussion on the gaps in communication with VCPAC.
- v. Suggestion to have an info section about VCPAC on the Willows PAC website so that parents are aware of this function and its resources.
- vi. Cindy spoke to what role the SPLOs had on site in the past, for clarity. Discussion amongst parents about the topic.

*Jenn motioned that if our PAC is asked for an official position in the zoom meeting that we request to be given time to confer with the broader PAC population.

Cloe moved, Catherine seconded. CARRIED.

1. Community events
2. Garden shed
3. Sandbox and outdoor kitchen
4. Classroom reading books for home reading
5. Art supplies

Additional ideas generated at this meeting:

6. Funding writing workshops
 7. Parent Education items that may have a higher cost
 8. Information signage/billboard
